## Winter Programme 2017/18

For details of all walks on this programme please contact the appropriate leader below. He/she will then be able to provide specific details of the starting point and time, terrain, ascent, distance and difficulties and answer any queries you may have.

Please be aware that it is occasionally necessary to cancel walks at the last minute due to unforeseen circumstances. Every effort is made to add such changes to the website, but it is always advisable to contact the leader on the phone number supplied.
